

Maso Grener Bianco IGT Vigneti delle Dolomiti

The **BIANCO** *Chardonnay & Sauvignon* is a blend made of the two varieties.

In this wine we searched for and preferred the harmony between the fruity nature of the Chardonnay (70%) and the aromatic and acidic marks of the Sauvignon (30%).

BIANCO *Chardonnay&Sauvignon* is a savoury, lively and immediate wine. Loaded with crisp apple, zippy citrus and pungent herbs flavours, it is refreshing and cool. Light bodied but it features a full and salty taste.
