

SOEL DOC Trento Metodo Classico

Rhetoric often accompanies classic method wines with words such as prestige, excellence and refinement. We prefer to let our **SOEL** do the talking.

Born from **Chardonnay** grapes grown with care at Maso Grener, we wanted to create a wine which, while respecting the tradition of the classic method, is recognizable as a Pressano wine, versatile and conciliatory.

SOEL is not only for big celebrations but also for those simple and authentic moments that deserve a touch of quality. The perfect toast for any good occasion.

In **SOEL** the Chardonnay from Pressano plays with bubbles. The aromas recall ripe sweet fruit and hot buttered bread. The sip is pleasantly dry, bold and saline.

At *disgorgement*, the bottles were filled with a blend of Chardonnay from different vintages aged in oak.
